2. Approval of the Agenda, March 31, 2009

The agenda for the March 31, 2009 meeting (PDF-Ref 2009-002) was approved as presented.

3. Approval of the Draft Meeting Minutes, January 14, 2009

The meeting minutes for the January 14, 2009 meeting (PDF-Ref 2009-001) were approved as presented.

4. Working Session on proposed ISO/NWI 32000-2

LR reviewed the items to be covered at Hamburg.

LR led a discussion of Adobe's revised Reader Requirements content.

CE raised a concern that the proposed Reader Requirements do not require that content be accessible. To be discussed in PDF/UA meeting, PDF/UA may forward new content for Hamburg.

The Committee approved the Reader Requirements section for Hamburg.

Links in Rich Text Strings (a new proposal from Adobe).

The US Committee approved Adobe's proposal without objection.

LR presented "Proposed Extensions to ISO 32000-2 on behalf of ISO 16612 (PDF/VT). Discussion ensued.

LR leads a discussion of the technical details of the PDF/VT proposal. The Committee added a number of comments.

The Committee voted Yes with comments.

5. Other Business

No other business was discussed.

6. Adjournment

The March 31, 2009 meeting was adjourned at 12:15 p.m. (Newman/lobst)
